Hi Captain,

I just found out that the L.A. Police Memorial Fund was the charity picked by the Board to receive the check. So the check will be going to that charity. However if you want to have the other charities considered we can certainly do that next year.

Subject: Donation for Central Division

Good Afternoon Brian,

Thank you for the assistance on this issue. For the donation, the check can be written to either of two entities:

Central Station Fund
or
Central City Police Boosters

The first does not have a TAX ID number, some donors request the TAX ID number for tax purposes. This is the fund we use for money coming in from our sales around the station of water, food, shirts, etc...

The other is a non-profit that is specifically set-up to assist the officers. It does have a TAX ID number and can be used for tax purposes.

If the TAX ID number is not an issue, then the first option would be simpler for us, but either is truly fine. We just truly appreciate the

assistance and the thought. This donation will go a long way in helping me build the team I'm trying to build here at Central Division.

Hopefully, this helps...
